EXPERIENCE

Ascent Business Solutions — Graphic Designer, Nagpur, India Jul 2025 – present

- Built reusable design systems and visual templates that cut turnaround time and repetitive work across 100+ digital and print creatives.
- Designed marketing collateral, presentations, employee engagement materials, and recruitment assets.
- Worked directly with HR and management stakeholders to manage print-ready file production with low revision cycles.
- Applied typography, color systems, and visual hierarchy to corporate communications and brand assets.

AT Creation — UI/UX Designer, Nagpur, India Sep 2022 – Mar 2023

- Conducted usability testing and fed findings back into user flows and interface usability for digital products.
- Created wireframes, prototypes, and user interfaces using Figma.
- Collaborated closely with developers to ensure accurate design-to-development handoff.
- Designed logos, visual identity systems, and brand guidelines for early-stage businesses and startups.
- Produced social campaigns, brochures, and marketing assets for SMB clients.

SELECTED PROJECTS

Bounceless 2024

- Developed a B2B UX case study delivering a cleaner verification experience and user flows for teams managing accurate email lists.

Fashion Brand Social Campaign Apr 2024

- Designed an Instagram and Facebook campaign series that contributed to a 15% increase in follower engagement.

EDUCATION

RGCERT Chandrapur (Dr. Babasaheb Ambedkar Technological University) — June 2020 – June 2024
B.Tech in Computer Science, CGPA 8.03. Leveraged technical background for developer handoff credibility and systems thinking.
