EXPERIENCE

Ascent Business Solutions — Graphic Designer, Nagpur, India Jul 2025 – Present

- Built reusable design templates and visual systems to standardize components and accelerate turnaround times.
- Collaborated with cross-functional teams to deliver 100+ digital and print assets for corporate communications.
- Integrated AI-assisted workflows (ChatGPT, Adobe Firefly) to streamline ideation and asset exploration.
- Managed print-ready file production, ensuring technical accuracy in bleed, sizing, and color systems.
- Worked directly with management stakeholders to iterate on designs based on feedback.

AT Creation — UI/UX Designer, Nagpur, India Sep 2022 – Mar 2023

- Conducted usability testing and translated findings into optimized user flows and interface improvements.
- Executed wireframing and high-fidelity prototyping for web and mobile interfaces.
- Managed design-to-development handoff, ensuring technical feasibility and alignment with developer requirements.
- Developed visual identity systems, including logos, typography, and brand guidelines for early-stage businesses.

SELECTED PROJECTS

Bounceless (B2B UX Case Study) 2024

- Designed a cleaner verification experience for B2B teams, focusing on user-centered information architecture.

Fashion Brand Social Campaign 2024

- Delivered a multi-platform social campaign resulting in a 15% increase in follower engagement.
