

Ananya Saini

UI/UX and Graphic Designer focused on creating intuitive digital experiences, strong visual identities, and impactful marketing creatives. Experienced in Figma, Framer, branding, design systems, and **AI-powered creative workflows**.

EXPERIENCE

Ascent Business Solutions, Nagpur — *Graphic Designer*

JULY 2025 - PRESENT

- Created 100+ digital and print creatives for employee engagement, branding, recruitment, onboarding, and corporate communication campaigns.
- Designed banners, standees, certificates, ID cards, presentations, and marketing materials while maintaining brand consistency across multiple communication channels.
- Developed reusable design templates and visual systems that improved design turnaround time and reduced repetitive work.
- Collaborated with HR and management teams to create high-impact communication assets with minimal revision cycles.
- Worked extensively on typography, color systems, layout design, visual hierarchy, and print production workflows.
- Managed print-ready files, ensuring proper bleed, sizing, color accuracy, and production quality.
- Leveraged AI-assisted design workflows using ChatGPT and Adobe Firefly for creative ideation, content generation, and visual exploration.

AT Creation, Nagpur — *UI/UX Designer*

SEPTEMBER 2022 - MARCH 2023

- Designed banners, standees, certificates, ID cards, presentations, and marketing materials while maintaining brand consistency across multiple communication channels.
- Conducted usability testing and incorporated user feedback to improve user flows and interface usability.
- Created social media campaigns, branding assets, brochures, and marketing materials for startups and small businesses.
- Developed logos, visual identity systems, and brand guidelines for emerging businesses.
- Collaborated with developers and stakeholders to ensure seamless design-to-development handoff.
- Edited and optimized product visuals and marketing assets using Adobe Photoshop and Illustrator.

PROJECTS

Branding for At Creation Startup (SEPTEMBER 2023 - OCTOBER 2023)

Designed a full branding kit, including logo, typography, and color palette, enhancing the startup's online presence.

Social Media Campaign for Fashion Brand (APRIL 2024 - APRIL 2024)

Created a series of visually engaging Instagram and Facebook posts, leading to a 15% increase in follower engagement.
