EXPERIENCE

Ascent Business Solutions — Graphic Designer, Nagpur, India

Jul 2025 – present

- Built reusable design templates and visual systems that cut turnaround time and repetitive work.
- Created 100+ digital and print creatives for employee engagement, branding, recruitment, onboarding, and corporate communications.
- Worked with HR and management stakeholders across 5 cross-functional teams with low revision cycles.
- Managed print-ready file production including bleed, sizing, and colour accuracy.
- Used AI-assisted workflows (ChatGPT, Adobe Firefly) for ideation and exploration.

AT Creation — UI/UX Designer, Nagpur, India

Sep 2022 – Mar 2023

- Conducted usability testing, feeding findings back into user flows and interface usability.
- Designed wireframes and interactive prototypes for digital products.
- Worked with developers and stakeholders on design-to-development handoff.
- Developed logos, visual identity systems, and brand guidelines for early-stage businesses.
- Delivered social campaigns, branding assets, and brochures for startups and SMBs using Photoshop and Illustrator.

SELECTED PROJECTS

Bounceless

2024

- Executed a B2B UX case study delivering a cleaner verification experience for teams depending on accurate email lists.

Fashion Brand Social Campaign

Apr 2024

- Designed an Instagram and Facebook series that achieved a 15% increase in follower engagement.
